THE FINE PRINT: The Service: Commander Phone is an internet telephony service that requires at least 100/100 Kbps internet service per simultaneous call (not included) and is subject to a service qualification. Calls not listed (such as international, premium and directory assistance calls) are charged in addition to monthly fee at applicable rates, see website for details. **Service limitations:** Service availability and quality may differ from a standard telephone service and is subject to network/Internet congestion. **Installation:** Self install or Valet Install service available. Additional fees may apply. **Termination:** You must return all handsets in good working condition within 30 days of termination or a non-return fee per handset applies. Early Termination Fees apply if you cancel during a minimum term, pro-rated over the remaining months of your term (\$300/Essentials, \$400/Office, \$500/Executive). **Valet Install Offer:** Standard install included for 2 or more handsets at same site on 24 month plan. Plans are not available for resale or high volume telemarketing purposes. Vocus' Standard Terms and Conditions and Commander by Vocus Acceptable Use Policies apply. Information and pricing correct at time of printing. Vocus Pty Ltd ABN 78 127 842 853
